

ENVIRONMENTAL POLICY STATEMENT.

The Directors of C&C Catering Equipment regard the promotion and preservation of the environment as a mutual objective for Management and employees at all levels.

We are fully committed to protecting and continually improving the quality of our working and surrounding local environments, and are committed to working pro-actively with, and communicating this policy to our employees, clients, sub-consultants / contractors and all other external influences to achieve a safer, cleaner, healthier and sustainable environment, which will meet present and future needs and legislation.

The objectives of this policy are to:

- Wherever practicable, encourage our clients / architects to make the best environmental choices in respects to equipment specification and environmental performance.
- Reduce the production of waste and encourage wherever possible it's re-use or re-cycling.
- Encouraging greater staff involvement through energy awareness training and the understanding of environmental issues and continual environmental improvements.
- Encouragement of staff to become more aware, efficient and sustainable in their use and the preservation of energy and natural resources.
- Evaluate environmental impacts when considering new vehicles, equipment, buildings and business processes.
- Prevent pollution and nuisance.
- Manage the correct safe and effective disposal of waste materials through approved agencies.

C&C Catering Equipment will comply with environmental laws, legislation, regulations and other requirements relevant to our business and will closely monitor our office administration and any on-site installation processes to ensure that the company's operations are effectively managed and controlled in accordance with the requirements of BS EN ISO 14001:2004 and BS EN ISO 9001:2008.

This policy will be communicated to all staff and any necessary external interested parties i.e. sub-contractors that may be working on our behalf. It will be available to the public, via the company web site: www.wemakeithappen.co.uk

The Directors will formulate quality & environmental improvement objectives at least annually, during management review meetings and will ensure the routine monitoring, measurement and continual improvement of the QEMS management system and performance.
